

Recycled Reads

The Friends of the Orland Park Public Library maintain *Recycled Reads*, an ever-changing selection of used books available for purchase, located in the northwest corner of the lobby. The proceeds from the sale of these gently-used, low-priced books are used to purchase a wide variety of materials, equipment and services for the library.

Recycled Reads gift certificates are also available. These certificates make a great gift for any occasion. They can be in any dollar amount and are available for purchase at the Information Desk.

The Friends of the Orland Park Public Library is a non-profit organization dedicated to encouraging public interest and financial support for the library. We sponsor various programs and cultural activities for the enjoyment of the entire community.

An annual membership meeting is held in the fall. At this meeting, the election of officers is held, a recap of the past year's events is given, and a donation based on the success of the year's fund raising efforts are presented to the library's director.
